

# Find a new brew for you

## 2021 NEW WORLD BEER & CIDER AWARDS

**Top 30 beers and ciders** are available in all liquor-selling New World stores nationwide until 30 May 2021, or while stocks last. As many are brewed in small batches by independent breweries, supplies may be limited – so our advice is to buy them when you see them!

**The 70 Highly Commended** have varied availability – some are widely available, some are only available in selected New World stores and some are seasonal releases. Again these are all fantastic brews so if you see them, snap them up!
